Providing the BEST Care Possible

From the start, **Vantage Home Health Care Services, Inc.** has always been committed to providing personalized and professional care to homebound patients. We address the needs of the disabled and the infirmed who are unable to leave their homes as frequently as they need nursing, therapy, or other structured forms of health services. The solution – we bring the services they need right into their own homes.

We have a team of nurses, therapists, aides and allied health professionals who will be happy to visit you in your home. We serve the Los Angeles, Orange County, and its surrounding areas within a 70 mile radius of the office. Call for specific areas and zip code information – **310-538-9046**.

We provide our patients with professional & competent services.
